“Kingdom Builder 153”

Nanum DongSan Christian Church

New Church Building Support Fund Application

Shalom! Greetings in the name of the Lord!
Through God’s grace and the prayer and service of many, Nanum DongSan was able to move forward with Phase 1 of our vision for a church building. We were able to secure approximately 2 acres of land which includes a mobile home on site. We are now preparing for Phase 2 which includes the construction of a new church building and a parking lot. Our motto for this support fund is “Kingdom Builder 153”, inspired from John 21:11. Just like when Peter cast his net as Jesus said and brought in an abundant catch of 153, our goal and vision is to have the prayers or financial support of 153 kingdom builders.

1. The 3 Vision for the New Church Building

- To evangelize and serve the local community as a gospel-centric, missional church.
- To train up and bridge the next generation of students into kingdom builders.
- To serve as a base camp for international missions to China, Philippines, Japan, and Mexico.
